SUMMARY

Performance marketing leader who builds the automation behind the results. Six years across Google, Microsoft, Meta, LinkedIn, TikTok, and OpenAI Ads, with shipped tools including a published Chrome extension, a suite of Google Ads scripts, and SQL reporting pipelines. I use AI to make paid media teams faster and more accountable to revenue.

Marketing Engineering: Google Ads Scripts | Google Ads API | Google Apps Script | JavaScript | SQL/BigQuery | Python | HTML/CSS | Zapier | CRM Integrations & Reporting (HubSpot, SugarCRM, Odoo, and additional platforms)

PROFESSIONAL EXPERIENCE

Vital Design

November 2023 - Present

Senior Paid Media Manager - Analytics & Performance

November 2025 - Present

- Lead paid media strategy across 110+ accounts spanning Google Ads, Microsoft Ads, Meta Ads, LinkedIn Ads, TikTok, and OpenAI Ads, utilizing AI-assisted analysis, custom dashboards, and scripts to surface opportunities and guide a six-person team
- Strengthen measurement for new and existing clients as the paid media team's SME for conversion tracking through Google Tag Manager and attribution and reporting across advertising platforms and CRM systems
- Standardize conversion strategy and client reporting around ROAS, closed-won revenue, and student enrollments rather than vanity metrics

Paid Media Specialist

November 2023 - October 2025

- Managed approximately **\$3M** in annual ad spend across Google Ads, Microsoft Ads, Meta Ads, and LinkedIn Ads for B2B and B2C clients in higher education, finance, healthcare, enterprise software, and e-commerce
- Increased paid-media-attributed revenue by 69%, opportunities by 34%, and ROAS by 25% year over year for an e-commerce client by importing closed-won CRM data and shifting spend toward high-intent search
- Increased conversion rate by 38% and lead volume by 27% for a B2C lead-generation client by directing landing page and product page rebuild strategy across Google Ads campaigns
- Increased annual pipeline value by 119% and closed-won revenue by 72% for a B2B manufacturer by improving landing pages and restructuring Google Search campaigns
- Saved 100+ annual hours in manual calculations by integrating paid media data into BigQuery and building SQL-based reporting workflows for more granular client reporting

The Dog Nanny

June 2020 - Present

Digital Marketing Manager, Part-Time

- Manage Google Ads and Meta Ads campaigns for a new dog grooming facility, achieving a **5.0x ROAS** while driving customer acquisition and growth
- Improve local SEO visibility and website traffic through content optimizations
- Spearheaded the development and launch of a new WordPress website using Visual Composer, HTML, and CSS (thedognannyonline.com)
- Created the company's first reliable view of lead source, acquisition cost, and campaign ROI by establishing end-to-end conversion tracking and HubSpot CRM integration

AdMachines

March 2022 - November 2023

Director of Search Engine Marketing

November 2022 - November 2023

- Supervised a five-person paid media production team and accelerated new-client launches by owning end-to-end strategy, onboarding, account builds, landing pages, conversion tracking, and campaign launch operations.
- Oversaw performance across **100+ Google Ads accounts** representing **\$15M** in annual ad spend
- Improved underperforming account outcomes by diagnosing issues and coaching four account managers on bidding, targeting, conversion tracking, and optimization strategy

PPC Account Manager

March 2022 - October 2022

- Managed **\$5M** in annual ad spend across **25 home services businesses**
- Executed and optimized Google Ads, Microsoft Ads, and Meta Ads campaigns to achieve client revenue goals
- Increased landing page and ad performance through WordPress updates and structured testing of copy and creative

ADDITIONAL EXPERIENCE

Domino's Pizza

January 2016 - March 2022

Assistant Manager & Lead Trainer

- Managed daily operations at a high-volume Domino's location with annual sales exceeding \$1M

By Appointment Only

November 2020 - May 2021

Inside Sales Representative

- Scheduled sales meetings through high-volume outbound cold calling and targeted email outreach

SELECTED PROJECTS

Ads Notes Chrome Extension | [Chrome Web Store](#)

AI-Assisted Coding, Chrome Extensions API, JavaScript, Google Apps Script, Google Sheets

- Developed and published a Chrome extension that captures notes entered within Google Ads and writes standardized records to a shared Google Sheet, adding functionality not natively available in the platform
- Improved PPC-team collaboration across shared accounts by creating centralized documentation and streamlining how changes are reported to clients

Open-Source Consent Signals Manager | [GitHub](#)

Google Tag Manager, JavaScript, HTML, CSS

- Built a free Google Tag Manager template that implements Google Consent Mode v2, regional consent defaults, Global Privacy Control detection, and user opt-out handling, enabling privacy-conscious measurement without requiring a commercial consent platform

Google Ads Automations

JavaScript, Google Ads Scripts, Google Ads API

- Engineered a suite of Google Ads tools that automate account- and campaign-level reporting, Performance Max channel analysis, negative keyword additions, display placement exclusions, and offline conversion uploads

Google Workspace Automations (Internal Proprietary Tool)

Google Apps Script, JavaScript, Google Sheets

- Enabled teams to add and deploy customized Google Sheets automations without manually editing source code by creating an internal Google Workspace extension

Custom CRM Integrations

Zapier, Python

- Delivered a 30-hour custom Zapier and Python integration that routed client lead forms into the CRM, preserved campaign attribution data, and automated offline conversion uploads to advertising platforms

Cross-Platform Budget Pacing Tracker

Google Apps Script, Google Ads Scripts, Google Sheets

- Automated cross-platform budget pacing through a Google Sheets system that consolidates spend from Google Ads, Meta Ads, and Microsoft Ads and calculates monthly budget utilization across accounts

EDUCATION

University of Massachusetts, Lowell

B.S. Business Management & Marketing

May 2018

Honors: summa cum laude (GPA: 3.91)
